Dear Mr. Skenteris:

The Government has chosen not to exercise the next option period for the foodservice contract at the Federal Trade Commission and Albert V. Bryan Courthouse locations. The foodservice contract will end June 30, 2019.

The Federal Trade Commission has determined it is in the best interest of the Government to re-purpose the cafeteria space to more directly support the FTC's mission. By re-designing the entire space currently occupied by the Cafeteria, the FTC can create additional conference, collaboration, and work spaces that would be better utilized by the agency.

The Albert V. Bryan Courthouse has determined that it will be better serviced by a Micro market 24/7 concept. Micro markets under the authority of GSA must be offered to the Randolph Sheppard (R/S) program and the R/S program has accepted the Government's offer to operate this location.

The General Services Administration would like to thank the Skenteris family and their employees for their exceptional service that have been provided at the FTC and Alexandria Courthouse locations over the last ten years.

If you have any questions please do not hesitate to contact me at [chrischanda.smith@gsa.gov](mailto:chrischanda.smith@gsa.gov) or (202) 365-6394.

Sincerely:

Chrischanda S. Smith
